Mrs. Donnini

November 1, 2013

Dear Parents,
Thanks for all of your help with the Halloween Party. I think the kiddos had fun. It's always seems like we do lots of planning for parties and then they are over. ☹️
I am very excited to meet with you for our conferences next week. Remember, there will NOT be a report for another two weeks following conferences.

Have a great weekend!

we are learning

Reading

This week we worked on summarizing and retelling our stories. We read for 20 minutes.

Writing

We are working on being the "Boss of our Letters" and writing them correctly on the lines. Keep working with your kiddos at home on this skill.

math $+\frac{2}{4}$

We started Unit 2 this week. We are learning how to count objects by grouping them. We have discussed that it can be faster to count by 5s or 10s instead of by 1s.

Science/Social Studies

We started to talk about timelines in social studies and in science we discussed that we can all be scientists everyday! ☺️
