Mrs. Donnini
September 6, 2013

Dear Parents,

Welcome back! We've made it through our first few days of school. It has been fun getting to know each of your kiddos and I think they are enjoying learning about their new classmates. ☺ They are also doing their very best to get back into the routine of school after a wonderful summer! We will be working hard to get our routines and behaviors in check.

Here's to a great year!—Mrs. Donnini ☺

FRIDAY, September 13.

we are learning

Reading

We are working on building stamina for Read to Self. Right now we can read without stopping for 10 minutes! Keep working on sounding out words at home.

Writing

We are practicing our handwriting! We will launch Writing Workshop on Monday!

Math $+\frac{2}{4}$

We started our new math program this week. We learned about more, less and the same.

Science/Social Studies

We started our first Social Studies unit this week. We will be learning about routines and rules. ☺
