Dear Parents,

We made it through our first full week of school. I am having a great time getting to know your kiddos. I have posted this newsletter on my website. If you would like to continue to get a paper copy let me know. Again, our class website is <http://mrsdonnini.weebly.com>. I have started to blog, too!

Have a great weekend!—Mrs. Donnini ☺

we are learning

Reading

We are working on building stamina for Read to Self. Right now we can read without stopping for 14 minutes! We worked on making sure our words match the picture.

Writing

We launched Writing Workshop. I am pleasantly surprised by the writings I'm getting so early in the year! We worked on writing stories where we are the main characters.

Math $+\frac{2}{4}$

We worked on tally marks this week. Keep working on this at home.

Science/Social Studies

We reviewed our 5 senses in science and we continued to work on rules and routines in social studies.
