

First Grade News

Mrs. Donnini
September 27, 2013

Dear Parents,

We had a busy week! We are really enjoying our new math program! This week we made number lines and played "Hop It." The kiddos really enjoyed it. It's nice to watch them work together.

We are kicking off Rock-N-Run this week. In your kiddos Friday Folder the PTO moms have put together folders for all of your money you collect with your kiddos. ☺ We have a fabulous PTO.

Friendly Notes

Rock-N-Run has officially begun! ☺

Specials 1:40-2:25

Monday-Music
Tuesday-Art
Wednesday-PE
Thursday-Media/Technology
Friday-Music

Gentle Reminders ☺

Students should bring their own snacks daily.

The weather is starting to change, please help your child dress appropriately.

mark your calendar

We will start having homework next Monday. I work very hard at teaching your first grader responsibility and caring for their work. I am hopeful you will do the same by allowing them to do most of the work and turning it in on their own. ☺

Have a great weekend!—Mrs. Donnini ☺

we are learning

Reading

We worked on retelling the beginning of the story, the middle and the ending. We are having some difficulties building stamina and are only at 16. Hopefully, we can do better next week.

Writing

We worked together to use one sentence for the beginning, two for the middle and one for the ending of our stories.

Math $+\frac{2}{4}$

We worked on skip counting by 2s, 5s and 10s this week. Keep practicing this skill at home.

Science/Social Studies

We continued to work on rules and routines in social studies.
